

## The Big Idea

Building on week one, we will learn how to practically receive Wisdom's call and grow over the course of time. This will be a process that can be applied in our daily life to grow in wisdom and love for God.

## Things to Remember

*"Wisdom calls out to you and wants you to have it."*

## Next Steps

This week, focus on actively seeking wisdom by engaging with the Scriptures daily, particularly Proverbs, to guide your decisions. Don't hesitate to ask God for wisdom in your daily challenges, and be receptive to the guidance and correction from those you trust. This approach will help you apply Godly wisdom in all aspects of your life.

## Discussion Questions

1. How does Proverbs 1:20-23 challenge our daily decision-making? Discuss times when you may have ignored the "call of wisdom" in your own life.
2. Reflect on the idea of "fearing the Lord" as the foundational step for acquiring wisdom (Proverbs 9:10). What does this concept mean to you, and how can it transform your daily actions?

4. Wisdom is described as "crying out" to us in Proverbs 1:20-23. What are practical ways we can make ourselves more receptive to wisdom in our busy lives?

## Closing Prayer

Heavenly Father, we thank You for the gift of wisdom and the clarity Your word provides. Help us to hear Wisdom's call in our daily lives and give us the courage to respond.
